[UOW Year 12 Subject Support Series](#)

8 July - Wollongong Campus (English Advanced and Maths Advanced)

9 July - Intensive Science Events (Year 11 & 12 Physics)

15 July - Liverpool Campus (English Advanced and Maths Advanced)

The University of Wollongong (UOW) is committed to providing additional resources and assistance to help students reach their potential in their final years of school.

The Year 11 & 12 Subject Support Sessions is designed to help students improve their knowledge and understanding of key subject content and discover what HSC exam markers are looking for.

In conjunction with InspirationED, experienced HSC teachers/markers and UOW staff will be running subject revision programs across May, June and July for current Year 11 and Year 12 students.

Participants will have the opportunity to ask questions and receive tips and strategies directly from the most qualified and experienced HSC markers in NSW.

And here's the cherry on top: all webinars and bootcamps are completely FREE! For our brand new science 'Intensive' in Physics, we've kept the cost very low at \$11 to help cover student lunches and materials. PLUS, all attendees will receive an example exam paper with exemplar responses, so you can see exactly what top-tier answers look like and how to nail your own!

[University of Sydney Webinar - Journey to Sydney: Support your young person to achieve](#)

21 July

We invite you to join us for a practical and engaging session designed to empower you in supporting your young person's journey to university. From now through to offers and enrolment, we'll walk you through the key milestones, dates, and preparation tips to help ensure they're set up for success. In this webinar, we'll cover:

- How to navigate the preference process and make the most of the website, events program, and other resources available to you
- Important dates and requirements for applications, scholarships, and more
- Ways to support your young person's decision-making and help them prepare for a range of outcomes
- Additional factors to consider when choosing a study path

Alongside the practical information, you'll also hear directly from a parent who has successfully supported their young person through their final year of school and into university—sharing valuable insights and real-life experience.

Whether you're just starting to explore options or are deep into the process, this session will provide clarity, confidence, and connection.

[What to do if your child doesn't want to go to uni?](#)

So you've helped your child through high school and now they're unexpectedly telling you uni might not be for them? Time to take a deep breath and have a chat with your child about next steps. Forcing them down the university path is unlikely to end well, so a chat with them about why they're not as keen on uni as you are is a great place to start.

[Youth Off the Streets Scholarships, training & employment](#)

We offer young people a range of pathways to a positive and independent future through further education and sustainable employment. We support young people who want to continue their education after high school, gain employment skills to add to their resume, or find a stable job.

What we offer

Our National Scholarship Program provides financial assistance, mentoring and other supports to young people engaged in training or further education

We are an approved Registered Training Organisation (RTO code 41450) and deliver several nationally accredited vocational education and training (VET) courses to enrolled students in our independent high schools. Young people engaged with other Youth Off The Streets services may also have access to these courses

Our youth employment program supports young people through their journey to work readiness and successfully gaining and sustaining employment

[Talent Development Project - Last Chance!](#)

Applications Close 4 July

The School Program is open to NSW Government high school students, in years 10, 11 or 12. If you are singer, singer-songwriter, musical theatre performer, instrumentalist or part of a band, you are welcome to apply. Funded by the NSW Department of Education, there are no fees charged to attend the program and TDP encourages students from all over NSW to apply.

The program is divided into three Phases. Each Phase lasts for three months. You are selected to move through each Phase depending on your progress at the workshops. At each workshop you will have access to working professional musicians, singers and songwriters who will coach, mentor and guide your development.
