UAC

[Three schemes to help you get to university](#)

UAC works with universities to widen participation in higher education. In particular, UAC runs three schemes to help thousands of people access their potential through higher education.

1. Educational Access Scheme: helps UAC applicants who have experienced significant educational challenges.
2. Equity Scholarships: awarded to applicants who demonstrate the greatest financial need.
3. Schools Recommendation Scheme: an opportunity for Year 12 applicants to be assessed on criteria other than, or in addition to, the ATAR.

University - Institutes

[Western Sydney University Open Day](#)

6 July

Open Day is on Sunday 6 July 2025 from 10am to 4pm. This event isn't your average uni tour. It's a full-campus experience packed with everything you need to feel informed, inspired and ready to take the next step toward your dream career.

Explore course options, find out about our entry pathways and experience uni life to see why so many students chose Western.

[Western Sydney University HSC Study Sessions](#)

29 September - 3 October

From Monday 29th September to Friday 3rd October 2025, Western Sydney University will be offering a range of online study sessions to assist Year 12 students in their preparations for the HSC.

These will be delivered by highly qualified senior teachers with 24 free sessions across 15 key HSC subject areas, with sessions that include content analysis, tips and strategies, and a detailed exploration of key syllabus and curriculum areas. Students also have the opportunity to sit a practice exam and deconstruction, with feedback and advice from experts.

[Western Sydney University Aboriginal and Torres Strait Islander Entry Program - Doctor of Medicine](#)

Applications Close 26 September

There is a different pathway process for those who apply as an Aboriginal or Torres Strait Islander applicant.

We encourage applicants to contact the School of Medicine Aboriginal and Torres Strait Islander support office at IndigenousFutureDr@westernsydney.edu.au or call the Student Services Hub Infoline on 1300 668 370 to discuss your interest in applying.

[Music@Western](#)

18 July

Interested in studying MUSIC@WESTERN? Whether you are a player, a maker, or just interested to see what we do?

See our current students perform. Engage in performance, production and career workshops. Have lunch (on us) with staff and students, parents and teachers.

Everyone is welcome!

After lunch you are invited to interview for course entry. Interviews from 1pm. Get an early offer for 2026.

[Western Sydney University Aboriginal and Torres Strait Islander Entry Program - Upcoming Assessment Days](#)

To gain entry to your dream degree, you are required to complete an Entry Assessment. The entry assessment includes a short essay and comprehension task. If your preferred degree requires numeracy, you will also be required to complete a short numeracy assessment. We provide you with access to online resources and practice tests, to help you get prepared.

August – for 2026 entry

Monday 4th August Kingswood

Tuesday 5th August Online

Thursday 6th August Campbelltown

Friday 8th August Online

November – for 2026 entry

Monday 10th & Tuesday 11th Hawkesbury

Thursday 13th & Friday 14th Campbelltown

Monday 17th & Tuesday 18th Online

Thursday 20th & Friday 21st Online

[Western's Arabic Language Information Session](#)

16 July

The School of Humanities and Communication Arts is hosting an information session for students who speak Arabic or for students who are interested in the language.

The information session will include a campus tour, arabic music, food and calligraphy and many more activities and presentations.

High school groups and individuals are welcome.

[Western Sydney's Bachelor of Science Major's get an overhaul](#)

The School of Science is revamping its Bachelor of Science majors. The Innovative Foods major will now be named Food Science and Innovation, and the AgriFoods major will become Agricultural Science.

In Food Science and Innovation, students will learn the science behind food technologies and new product development in a massive global business sector.

Agricultural Science students will gain knowledge and skills in plant and animal production, based in ecological principles, with hands-on experience in soil science, biosecurity, protected cropping and agricultural technology.

Both subjects feature opportunities for industry placements and learning outcomes focused on employability.

[Early Offers for The Women's College](#)

Apply Now for Early Offers in July

The Women's College invites applications from female students wishing to become a resident or an affiliate. Students who are accepted into the College must be enrolled in a Sydney based tertiary (undergraduate or postgraduate) degree.

[University of Sydney Computer Science Fellowship Program](#)

Apply By 23 June

Designed for high-achieving year 11 students, this academic program offers the unique opportunity to study Introduction to Computing (INFO1110)- a first year university subject taught by the University of Sydney. On successful completion of this course you will be eligible for 6 credit points towards the University of Sydney Bachelor of Advanced Computing.

[University of Sydney - MySydney Entry and Scholarship Scheme Webinar](#)

24 June

Find out how you can enter your dream degree with the MySydney Entry and Scholarship Scheme for students residing in low socio-economic areas. Hear about the great benefits offered, including entry on a reduced ATAR, a \$8,500 per annum scholarship and a range of ongoing support throughout your studies. Find out what you need to know about eligibility criteria, how to apply, frequently asked questions and more!

THE UNIVERSITY OF
SYDNEY

[University of Sydney - Veterinary Medicine Undergraduate Admissions Information Session](#)

23 July

Join this session to learn about the Bachelor of Veterinary Biology and Doctor of Veterinary Medicine (BVB/DVM) at the University of Sydney. This session will cover undergraduate admission requirements for the BVB/DVM, including details for the submission of your commitment statement and completion of the Casper situational judgement test. Bring along your questions to the Sydney School of Veterinary Science, and get advice on your undergraduate application into the degree.

[UTS Science Aptitude Test](#)

The aptitude assessment is a multiple-choice test of your general knowledge, logic and language skills.

If you perform well, you may be offered a place at UTS.

Taking the test is an alternative entry to undergraduate science courses.

If you want to study science but do not meet the minimum selection rank for your course, by taking the test you may be offered a place. This depends on your performance on the test and whether you show an aptitude for science or mathematics.

[UTS EAS Application Scheme - inpUTS](#)

Applications Close 18 November

InpUTS is an educational access scheme (EAS) that allows us to consider your application and any significant educational challenges you have experienced.

We value the diversity of our community and this extends to recognising and supporting students whose experiences would previously have stopped them from attending university.

If your application for inpUTS is successful, you will be eligible for 10 adjustments towards your selection rank.

[UTS Industry Degree Academy Cadetship - Computer Science and Cybersecurity](#)

Applications now open, and close 14 September

A cadetship lets you mix classroom study with real world employment.

The Industry Degree Academy (IDeA) is a three year program, available only at UTS. Students work at some of Australia's leading companies while they study. The program is codesigned with industry partners, so students graduate with the skills and experience employers seek, along with industry experience.

[UTS Business Cadetship Scheme](#)

If you're undertaking a paid cadetship, you can use the UTS Business School Cadetship Entry scheme to start studying at UTS.

The cadetship entry scheme is for Year 12 high school students who have secured at least a one year paid cadetship. The cadetship provides cadets with paid employment while they undertake university studies, allowing you to combine the practical experience and professional development of employment with the academic challenge of a university degree.

[ACU Blacktown Open Day](#)

26 July

Join us on campus to explore and find out more about our courses.

On the day you can:

- chat with current students and staff
- learn more about our courses
- discuss your study options with experts
- go on a tour and watch demonstrations
- join Q&As and discussions with alumni and current students
- discover how ACU can help you achieve your goals.

[University of Canberra - Sydney Hills Education Open Day](#)

Passionate about shaping young minds?

Discover how the Bachelor of Early Childhood Education (Birth to Five) at UC Sydney Hills can launch your career in one of the most rewarding and impactful professions.

Here's what you can expect:

- Explore our Early Childhood Education program in detail
- Tour our vibrant campus and modern learning spaces
- Join hands-on workshops tailored for future educators
- Meet academic staff and current students for real-world insights
- Enjoy free snacks, coffee, and our famous UC blue cupcakes!

[Griffith University Head Start program](#)

Applications For Trimester 2 Close 23 June

Applications for Trimester 3 Close 20 October

Head Start was created for Year 11 and 12 students, who want to hit the ground running when they get to uni, by completing an undergraduate-level course while in high school.

We'll also cover the tuition fees and guarantee entry into a range of Griffith degrees after successfully finishing the program. We have over 35 courses to choose from and eligible students can complete up to two courses while at school—starting as early as Term 2 of Year 11.

Designed for highly motivated students looking to extend their academic skills and learn from industry leaders—Head Start can be studied on campus, online or at school.

[UNSW Year 11 Experience Days](#)

7, 8 and 11 July

Year 11 students are invited to attend one of our Year 11 Experience Days on either 7, 8 or 11 July. Students will get to join two faculty workshops, with more than 40+ options to choose from. We're also hosting a campus tour and free food-truck lunch on this day.

We encourage students to register quickly, as spots are limited.

[UNSW Arts, Design & Architecture Portfolio Entry Information Session](#)

15 July

Unlock Your Future Beyond the ATAR!

At UNSW, we know you're more than just a number. That's why we've created the UNSW Portfolio Entry Early Conditional Offer Scheme—a flexible, personalised pathway to university that recognizes your unique talents and ambitions.

Why wait? Get an early conditional offer with a lowered ATAR requirement—up to 10 points below the usual selection rank for your dream degree. This scheme is designed to showcase your creativity, passion, and potential to excel in your chosen field.

Join us for an exclusive info session tailored for students applying to degrees within the Faculty of Arts, Design & Architecture for 2026. Hear directly from UNSW academics on how to craft a standout portfolio that highlights your strengths.

[UNSW Portfolio Entry Information Evening \(Arts, Design, Architecture and Engineering\)](#)

16 July

Unlock Your Future: Beyond the Numbers

At UNSW, we know your creativity, individuality, and drive can't be captured by an ATAR alone. That's why we offer the UNSW Portfolio Entry Early Conditional Offer Scheme—a personalised pathway to university that truly reflects who you are.

Join our Information Session!

Hear directly from UNSW academics and students about crafting a compelling portfolio for degrees within the Faculty of Arts, Design & Architecture and the Faculty of Engineering in 2026. We'll guide you through what to include, how to apply, and tips to help you succeed. Plus, you'll have the chance to ask questions and get clarity on anything you're unsure about.

[UNSW Medicine Application Key Dates](#)

Are your students looking to study Medicine in 2026? The Medicine Applicant Portal is open. We encourage students to keep an eye on key dates and start their application.

[Capital W "Future Women in Business" High School Workshop 2025 - Applications Closing](#)

Applications Close 19 June

Are you a female-identifying high school student interested in studying business? Want to find out what working in business is really like and hear some tips and tricks from women who are working in industry? Attend the UNSW Business School and Capital W (UNSW's Women in Business Society) Women in Business Workshop in person on Friday, 4 July 2025.

This workshop will give you the chance to explore where a career in business could take you, while meeting like minded young women. You'll also build on invaluable soft skills including communicating, presenting and networking.

University - General

[Questions to Ask at Uni Open Days](#)

On University Open Days campuses are generally buzzing with tours, information sessions, games, competitions, student performances and yep – sometimes even free barbecues and food stalls! Sitting in on lectures, chatting to course co-ordinators and meeting real-life undergraduates are some of the intro activities that generally go down, although like the last few years, loads will have virtual offerings too.

[Study STEM Overseas - Korea Science & Technology Universities Info Session](#)

10 July

Explore world-class study opportunities in science, technology, and engineering at Korea's leading research universities: DGIST, GIST, POSTECH, and UNIST.

These universities offer Full tuition waivers and generous scholarships, international student exchange with top global universities, strong industry links and mostly courses taught in English

Program includes:

10:00–10:10 | Overview of Study in Korea

10:10–11:30 | DGIST/ GIST/ POSTECH/ UNIST

11:30–12:00 | Live Q&A

[Apply for Earn & Learn 2026 - Get Paid to Study Software Engineering](#)

First Round Applications Close 29 June

Second Round Closes 31 August

Unlock your future. Become a software engineer straight out of school. Get paid to work with industry experts at WiseTech while you study for your computer science degree.

WiseTech's Earn & Learn program gives you a full-time, paid job as a software engineer while also supporting you through a four-year university degree.

We combine university recognized coursework, real-world experience at one of Australia's most successful tech companies, and university funding to give you an unparalleled head-start on your career in tech.

TAFE

[Start at TAFE and finish at University with a Degree - TAFE NSW Credit Transfer](#)

Check credittransfer.tafensw.edu.au when helping your students to see how many Credit Points a TAFE NSW qualification can give them for a degree with an Australian University. With around 3,000 pathways available.

[AFL SportsReady](#)

Right now, AFL SportsReady has loads of great opportunities, with amazing employers. Please share the Job's Board with any school leavers that may be interested in kick starting their career through a traineeship. Visit the jobs board now.

[Get technical with a Defence apprenticeship](#)

When it comes to ADF trade careers, it's more than an everyday job. One week you could be fixing, maintaining or building infrastructure; and the next could see you assisting in a disaster-relief mission or joining a combat operation.

Whether you're a chippy, sparky, or aspiring aircraft technician, learning a trade in the ADF is your opportunity to gain trade qualifications, travel, live an amazing lifestyle, earn a great salary and work on impressive military equipment.

Private Colleges

[NIDA Undergraduate Degrees](#)

Consider our Bachelor of Fine Arts if you want to undertake an in-depth exploration of the techniques and methods required to develop a career in your chosen discipline.

[NIDA Applications for 2026 Now Open](#)

Acting Applications Close 15 September, other degrees close throughout September

NIDA's unparalleled practice-based learning, connections to industry and culture of innovation have produced some of the world's most influential and in-demand storytellers across stage, screen and beyond.

We offer an unmatched range and depth of industry-relevant training across performing arts disciplines including: acting, costume, cultural leadership, design, directing, make-up, musical theatre, props, scenic construction, stage management, technical theatre, and writing.

This, along with the Institute's international networks and deep industry links, ensures our graduates are immediately employable, enjoying successful careers in theatre, dance and opera companies, festivals and events, film, television and games production.

[Qantas Group Pilot Academy](#)

More than one hundred years of the highest standards of training ensure our pilots are some of the world's best. And now we're looking to the next generation. In partnership with Flight Training Adelaide (FTA), we've launched the Qantas Group Pilot Academy to help meet the increasing need for skilled aviators in one of the fastest growing global industries.

[The Qantas Group Pilot Academy Scholarship Program](#)

The Qantas Group Pilot Academy Scholarship Program aims to provide equity-based grants to support diversity.

We are pleased to announce the scholarship program is open and accepting applications from female and first nations people. If successful, the scholarship will provide a student support for the onsite accommodation costs up to the value of \$30,000.

[The Fashion Institute Early Entry Program](#)

Applications Close 29 August

The Early Entry scheme at Whitecliffe | TFI is open to current Year 12 students. Early Entry means that you can apply for a degree and be accepted into a degree before finishing Year 12! Step into the industry with confidence. From day one of your studies, you'll have unlimited access to exclusive internships, hands-on industry experiences, and behind-the-scenes event opportunities that most can only dream of. Whether you're styling at runway shows, assisting with major brand campaigns, or volunteering at high-profile events, you'll be building real skills, real connections, and a standout resume.

[Torrens University - Bright Awards](#)

Entries Close 8 August

A celebration of creative Year 10, 11 and 12 students, the Bright Awards recognise up-and-coming designers and tech enthusiasts, and supports the future of the arts in high schools across Australia. Whether you're just tapping into your talent or keen to show off your well-developed skills, Billy Blue College of Design's Bright Awards competition gives you the chance to have your work recognised by industry experts. Plus, monetary prizes for both students and schools go towards kick-starting creative dreams.

[Australian Institute of Music - Music & Lyrics: The Songwriter's Tool Kit](#)

7-8 July

Created for students in Years 9-12, AIM's new high school music workshops provide incredible opportunities to explore songwriting, mentored by AIM's own accomplished musicians and educators.

This songwriting workshop is essential for any high school students curious about writing songs and performing and is a golden opportunity to work with incredibly accomplished songwriters. Join us these school holidays and discover the songwriter and performer you were born to become.

[Australian Institute of Music - Mastering Performance Workshop](#)

7 July

AIM's new school holiday workshop is designed for high school students interested in music performance. Created for students in Years 9-12, the workshops provide incredible opportunities to experience playing and performing music, mentored by AIM's own accomplished musicians and educators.

Learn, practice and perform contemporary and classic pop, rock and soul tunes, under the expertise of Australia's leading music mentors.

[AMPA Dance Experience Day](#)

7 July

Academy of Music and Performing Arts (AMPA) invites dancers to join us on campus for a day of dance. Register and bring your friends along and get ready to move!

Dancers will have a chance to participate in contemporary & improvisation classes facilitated by AMPA's inspiring faculty and experience what studying dance full-time is like at AMPA. A Q&A with the program's Head of Dance will allow aspiring dancers, choreographers, and dance teachers, to gain further insight into tertiary education and how it can benefit their future careers.

[AMPA Experience Day - Music Theatre](#)

9 July

Academy of Music and Performing Arts (AMPA) invites aspiring Music Theatre majors aged 16 and over to join us on campus for a day of music! Attendees will have the chance to sit in on a performance class, participate in workshops/Q&As facilitated by AMPA's music faculty and experience what studying music is like at AMPA. Experience a day in the life of an AMPA music student to gain further insight into tertiary education and how it can benefit your future. Parents also welcome to attend.

[Australian Institute of Music HSC Masterclass](#)

11 July

AIM's HSC Performance Workshop is designed exclusively for Year 12 Music 1 and 2 students who are interested in improving and polishing their performance works for their assessments, trial performances and HSC. During this workshop, you will be broken up into specialised Masterclasses to workshop your HSC performance material with an expert instrumentalist in your chosen style. Together you will focus on important musical parameters based on performance characteristics and the concepts of music. You will perform the material studied in your Masterclass and receive feedback from experienced HSC teachers and music experts. This session also covers issues such as performance anxiety and developing focus under stress, delivered by AIM's experienced lecturers. In addition, AIM staff will provide advice on examination ensembles, performance material, scores, and parts, and provide advice on booking accompanying musicians for performance examinations.

[AMPA Experience Day - Classical Performance & Composition](#)

14 July

Academy of Music and Performing Arts (AMPA) invites aspiring Classical musicians and Composers aged 16 and over to join us on campus for a day of music! Attendees will have the chance to sit in on a performance class, participate in workshops/Q&As facilitated by AMPA's music faculty and experience what studying music is like at AMPA. Experience a day in the life of an AMPA music student to gain further insight into tertiary education and how it can benefit your future.

[AMPA Experience Day - Contemporary Music Performance & Music Production](#)

17 July

Academy of Music and Performing Arts (AMPA) invites aspiring contemporary musicians and music creators aged 16 and over to join us on campus for a day of music! Attendees will have the chance to sit in on a performance class, participate in workshops/Q&As facilitated by AMPA's music faculty and experience what studying music is like at AMPA. Experience a day in the life of an AMPA music student to gain further insight into tertiary education and how it can benefit your future.

[AFTRS Open Day 2025](#)

Unleash your creative potential in the world of film, television, radio and podcasting at AFTRS – Australia's national screen and audio school! Join us on Open Day at our state-of-the-art purpose-built campus to discover everything you need to know about us, and our courses, including the Bachelor of Arts Screen: Production, Graduate Diploma in Radio and Podcasting, Master of Arts Screen: Business and the nine disciplines of our Master of Arts Screen.

Our expert practitioners will be on hand to welcome you and answer all your burning questions in lively discussions and our Ask Us Anything sessions.

Throughout the day, you'll have the opportunity to explore our campus and witness our world-class facilities firsthand, from our industry-standard studios and tech store, to the prop room and Australia's premier audio and screen library. Enjoy a coffee at our café and chat with passionate students and accomplished alumni about life at AFTRS, and say hello to our friendly staff, who are ready to provide you with valuable advice on how to submit a standout application.

General

[ANSTO Science Resources and Fun Work Books](#)

ANSTO provides secondary students with a range of learning resources for those interested in science or studying for exams. For teachers, ANSTO provides learning resources and professional development, as well as in-school-term science tours and online classes. Workbooks are provided as required learning material to accompany a school visit to ANSTO. They can also be used on their own as a classroom resource.

[6 reasons to study renewable energy engineering](#)

Want to use your STEM skills to help power a brighter future? Here are 6 reasons renewable energy engineering could be the right path for you.

[Talent Development Project](#)

Applications Close 4 July

The School Program is open to NSW Government high school students, in years 10, 11 or 12. If you are singer, singer-songwriter, musical theatre performer, instrumentalist or part of a band, you are welcome to apply. Funded by the NSW Department of Education, there are no fees charged to attend the program and TDP encourages students from all over NSW to apply.

The program is divided into three Phases. Each Phase lasts for three months. You are selected to move through each Phase depending on your progress at the workshops. At each workshop you will have access to working professional musicians, singers and songwriters who will coach, mentor and guide your development.

[Australian Space Design Competition](#)

Registration Closes 30 June

The Australian Space Design Competition (ASDC) is designed for secondary school students with a passion for space, or are considering a future in STEM fields.

Teams of up to 12 grade 8 - 12 students respond to an engineering Request For Tender (RFT) and design a futuristic space settlement, planning structural engineering, operations and infrastructure, personnel factors, automation, and business development.

[Applications to Sydney Youth Orchestra Opening Soon](#)

Open 4 July

Closes 15 August

Established in 1973 by legendary conductor and educator Peter Seymour, The Sydney Youth Orchestra has become an important stepping stone for hundreds of young musicians into professional careers in the music and arts sector.

[ATAR, Bonus Points & Uni Entry : Explained](#)

20th August

Looking for ways to unlock bonus points and improve uni entry chances? Join our webinar designed for Yr 12 students and parents, navigating university admissions. We will cover: The ATAR explained, bonus points (adjustment factors) and who qualifies, what is EAS and how to apply, dates, preferencing and decision making. This talk is being run by Claire Pech Careers and Amanda Krulis.

[ADHD & the ATAR, Bonus Points & Uni Entry: Explained](#)

28 August

Looking for ways to unlock bonus points and improve uni entry chances? Join our webinar designed for Yr 12 students with ADHD, and parents, navigating university admissions. We will cover: The ATAR explained, bonus points (adjustment factors) and who qualifies, what is EAS and how to apply with ADHD as the main contributor, dates, preferencing and decision making throughout this. This talk is being run by Claire Pech Careers and Amanda Krulis

[At the Museum - School Holidays](#)

Our interactive workshops make learning about science and culture lots of fun for up to 16 year olds. There is something for everyone at the Australian Museum these January School Holidays!

[National Youth Science Forum STEM HUBs - Register Now](#)

14-18 July

If you are a year 10, year 11 or year 12 student in 2025 in Australia with an interest in STEM, we welcome you to the NYSF STEM Hubs!

The National Youth Science Forum (NYSF) STEM Hubs are designed to give students a broader understanding of the diverse study and career options available in science, technology, engineering and mathematics (STEM) and to encourage continued studies in these fields.

A STEM Hub is a non-residential STEM experience where you can connect with STEM pathways and careers around Australia. You'll join exclusive behind-the-scenes experiences typically inaccessible to the public and connect with STEM professionals—a crucial networking opportunity for your future.

Whether you're passionate about robotics, biomedicine, astronomy, biology, or anything in between, there's a STEM Hub waiting to show you what a STEM career is really like!

[Interested in Cybersecurity? Check out this podcast](#)

AI is reshaping cyber threats—are we ready? UNSW's Dr. Hammond Pearce and InTune AI's Sharat Madanapalli discuss evolving risks and share expert insights on protecting your privacy. Your students can prepare for a cybersecurity career with our Bachelor of Cyber Security. Gain technical skills, industry connections and hands-on experience.

[Photography Webinar - Behind the Lens with Matty Smith: Antarctic Expedition](#)

24 June

Go behind the lens with Matty Smith as he shares his Antarctic expedition and award-winning Leopard Seal shot.
