UAC

[Year 12 Video Advice from UAC – How to Apply](#)

Step-by-step instructions for starting your application as a Year 12 student, including entering your Year 12 student number and UAC PIN.

[Steps to Apply to Uni – UAC](#)

If you're unsure about what you'd like to do when you finish school, and are wondering if university is for you, you're not alone. Just remember that uni isn't only for the brightest students or for those with a specific career path in mind. Uni is for anyone who's committed to reaching their full potential and wants to acquire the skills and experience to achieve their goals.

Keep your options open by taking the time to understand how the university application process works, how institutions use the ATAR to select students, non-ATAR pathways to tertiary study, and the many levels of financial support available to you.

University – Institutes

[University of Wollongong 2024 Scholarship Listing on Offer for Future Students](#)

UOW scholarships and grants demonstrate the University's commitment to excellence, equity and diversity. Future Student Scholarships

- Academic Excellence
- Academic
- Equity
- Community/Equity
- Community
- Corporate
- Work Integrated Learning
- Sporting

[Course Pathways with UOW College](#)

Start your educational journey at UOW College – we offer pathway programs to the University of Wollongong and nationally recognised vocational courses to get you job-ready. Learn in a supportive environment and develop the skills to succeed in further study or to move into the work force.

UOW Pathway Information Sessions

24 September

Looking for a pathway to get into uni?

Use your time wisely and get started on your pathway to UOW.

UOW College offers pathway courses that can guarantee* entry into a range of bachelor programs, some with direct entry into the second year. Please join us for our upcoming online info session to find out more about our range of courses, scholarships and how to apply. If you have already applied or received an offer, please come along and find out more about what to expect when classes commence, student support and a previous college students experience. Staff will be available on the night to answer your questions.

Reminder – University of Wollongong – Maths & Physics Support Sessions

Thursdays in Term 3

Calling all Illawarra Year 11 and 12 students studying Mathematics Advanced, Extension 1, Extension 2 and/or Physics!

UOW's Faculty of Engineering and Information Sciences are hosting FREE weekly drop-in sessions to assist you with your HSC studies on the Wollongong campus.

What to Expect:

- **Interactive tutoring:** Sessions are led by UOW Academics passionate about teaching and sharing knowledge.
- **Supportive Environment:** We welcome students to come along and meet like minded peers, collaborate and have questions answered. We offer a casual drop in style classroom setting welcoming of student questions, queries and discussion for Maths and Physics in the one location.
- **Personalised assistance:** Students can bring projects or questions, or we will provide questions – we've got you covered! Have concepts clarified, practice questions and exercises to reinforce learning and boost confidence.

Completely FREE: Access top-notch tutoring without breaking the bank.

University of Sydney – Applications for Veterinary Science

Last date for test for 2025 admission: Friday September 13

All applicants are required to complete the Casper test. Test is completed online using Acuity Insights.

Applicants must also complete the Commitment to Veterinary Science form/

See the Admission tab in the link below for more information

University of Sydney 2024 School of Project Management Spring Camp Expression of Interest

4 October

Expression of Interest Now Open

The School of Project Management will be running their in-person Spring Camp on Friday, 4 October for students in Years 10–12.

This program offers an interactive opportunity for students to develop awareness of project management as a discipline, career pathways, the Bachelor of Project Management, and hear from industry professionals, academics, current students and alumni.

Past programs have included site tours to Google, Atlassian and Western Sydney Airport. Expressions of interest for the University of Sydney Project Management Spring Camp are now open.

[The Women's College within The University of Sydney - Applications and Scholarships](#)

Scholarships for the 2024 academic year are now open. Applications close on 1 October 2024.

The Women's College offers a number of scholarships for resident students. These are awarded on the basis of a combination of academic potential and financial need. Scholarships are available, for example, to students from:

- Government schools
- Rural areas
- Indigenous and Torres Strait Islander backgrounds
- Postgraduate students undertaking medicine or scientific research
- Students studying performance at the Conservatorium of Music.

Music scholarship auditions will take place in early December and applicants will be advised of the audition date closer to the time.

Students seeking consideration for a residential scholarship must first complete the residency application.

[University of Sydney Webinar - Your Passport to an International Career: Bachelor of International Studies](#)

18 September

Ever dreamt of making a global impact? In Sydney's Bachelor of International Studies you will dive into the world's most challenging issues and gear up for a career that knows no borders - be it in business, diplomacy, policy-making, or advocating in a global civil society. Join our webinar and discover how our degree can help you navigate the global arena. Don't just watch the world change - be the change!

[UTS Jumbunna Entry Program and Applications Now Open](#)

Applications Close 10 January

At Jumbunna, the ATAR is not the primary measure of success. Our Jumbunna Pathways Program into University is open to recent-school leavers (with or without an ATAR). The Jumbunna Pathways Program offers Aboriginal and/or Torres Strait Islander students an opportunity to enter higher education based on education, previous life and work experience.

[UTS Women in Engineering, IT and Construction](#)

If you're female and have applied for selected engineering, information technology or construction project management courses, you're eligible to receive 10 adjustment points through both UAC and the Early Entry Program. These adjustment points are automatically applied (no additional application required) and contribute to your selection rank. Degrees range from Computing degrees, Games Development, IT, Engineering and Construction

[**UTS - Support your UAC application with the Engineering and IT Questionnaire**](#)

If you fall short of the selection rank requirement by one to three points, we'll still consider your application if you submit the Engineering and IT Questionnaire and demonstrate a strong motivation to study engineering or IT.

You achieved a minimum selection rank of 75. This selection rank cut-off includes your raw ATAR and adjustment factors. You've listed UTS Engineering or IT as your first preference in UAC.

Download this template and input your responses to these three questions where asked:

Why are you interested in studying at UTS and what do you expect to gain from your experience in the Faculty of Engineering and IT?

Which of your personal attributes and skills will assist you most in your future career?

Describe something you have created or designed and how it is related to your preferred course.

OR

Share your favourite example of engineering or technology and why you think it is amazing.

[**UTS - Bachelor of Information Technology \(BIT\) Co-operative Scholarship - Closing Soon**](#)

Closes 8 September

The BIT is a highly competitive course – it's been designed with future leaders in mind. To get in, you'll need to demonstrate how you stand out from the crowd.

Successful students generally achieve a Selection Rank of 88–99.95; however, your ATAR is just one component of your application.

The interview is your chance to show us your passion for technology. We also want to see your communication and interpersonal skills and your desire to be a leader in your field. We balance our selection criteria against one another. So if you've got a lower ATAR (say, 85 or 86), wow us in the interview and you could still be in with a chance.

[**UTS Diploma of Animation Production**](#)

Do you have a passion for visual arts, drawing and storytelling? Want to apply your creativity in a growth industry that offers a wide range of dynamic and ambitious employment opportunities? Start your journey to UTS animation production here. Our animation production program is designed to equip you with the skills you'll need for success at university, and in your future career.

[**UTS Seminar Reframing AI: building a career with social impact**](#)

31 August

Disruptive technologies like Artificial Intelligence have unlimited potential to transform industries and the economy. Learn more about Artificial Intelligence and where this exciting study path could take you. Be inspired by three real-world AI projects and have your questions answered by our panel of students and leading academics.

This event is part of the UTS Open Day program.

[**UTS Seminar Engineering and IT for good: a degree with global impact**](#)

31 August

Engineering and IT can make a world of difference. From tackling climate change to addressing inequality, Engineers and IT professionals have the potential to make positive and lasting impacts on the planet. Hear from our panel of experts on where these exciting fields could take you, and how UTS can assist you in making your global dreams a reality.

This event is part of the UTS Open Day program.

[**Book your UTS College Campus Visit!**](#)

10 September

Welcome to the UTS and UTS College campus, home to more than 45,000 students and award-winning facilities in Sydney's exciting CBD. There's no other university quite like us, so join us for a campus visit to find out why.

[**CSU Virtual Open Day**](#)

21-22 October

Want to study online, or can't wait for a campus tour? Explore Charles Sturt right here, from anywhere in the world.

Find everything you need to know about studying with us – from choosing the best course for you, to finding support, to applying for life-changing scholarships.

[**SCU Year 9 Taster Day - Gold Coast Campus**](#)

11 September

Join us for Taster Day, where you will experience University life through dynamic and interactive sessions. Meet our inspiring students and academics, experience our campus facilities and learn more about university life on this fun day!

[Southern Cross University – Parent Information Session](#)

18 September

Your child's educational journey is of utmost importance. As parents and guardians, it is essential to be well-informed of various opportunities and pathways that lie ahead.

Here at Southern Cross University, we are organising an exclusive session designed specifically for parents and students in Years 11 & 12 and encourage you to join us for an upcoming Parents Information Webinar.

[Explore & Discover with us: University of Canberra Information Night – Orange](#)

24 October

Come and explore & discover what the University of Canberra has to offer you!

Hear from our Student Recruitment team, find out about our different entry pathways, uncover the many support services on offer, discuss all things sport, and meet with our knowledgeable staff to find your perfect career fit. We are young at heart, ambitious and curious. We focus on individuals and their communities rather than ourselves.

[University of Newcastle – Joint Medical Program \(JMP\) – Closing Soon](#)

Closes 30 September

Our Joint Medical Program is world-class and entry is competitive. Each year, 170 places are available in the program across both the University of Newcastle and the University of New England; more than 3,500 people apply for those spaces. Your application will go through a rigorous selection process. If your application isn't successful, we encourage you to apply again the following year or to consider one of the many alternative degrees offered by the University of Newcastle or the University of New England.

[University of Newcastle Ma & Marley Scholarships](#)

Applications Closes 30 September

The Ma & Morley Scholarship Program is a transformative experience offered to students of the University of Newcastle who want to change the world.

This revolutionary scholarship program was born to honour the life-changing and enduring friendship between the successful Chinese entrepreneur Jack Ma and respected Novocastrian Ken Morley.

The program aims to inspire, educate and cultivate the next generation of globally aware and socially conscious Australian leaders and is only made possible by a generous US\$20 million philanthropic commitment by the Jack Ma Foundation.

[University of Newcastle Ma & Marley Scholarships – Information Sessions](#)

3 September (Callaghan Campus)

4 September (Ourimbah Campus)

11 September (Online)

The University of Newcastle is offering both in-person and online workshops to help students apply for the Ma & Marley scholarships.

[Notre Dame Pathways to Medicine Information Session](#)

19 September

Considering a career in Medicine? Register to watch this information session exploring our undergraduate programs in and exciting opportunities for students interested in pursuing careers in Medicine.

UNSW Application Process of 7 Steps for Bachelor of Medical Studies/Doctor of Medicine

To study the Bachelor of Medical Studies/Doctor of Medicine (BMed/MD) at UNSW, you must sit the University Clinical Aptitude Test (UCAT ANZ). You'll also need to apply through UNSW's Medicine Application Portal (MAP) before submitting a UAC application. Additionally, you will need to undertake an interview (if competitive). Offers to study medicine at UNSW are based on your academic performance (ATAR or equivalent), UCAT ANZ result and interview.

Upcoming Dates:

- 30 September - last day to lodge application with UAC
- 30 September - Last day to submit UNSW Medicine application through the Medicine Application Portal
- 1 December - Last day to include UNSW BMed/MD as a UAC preference

Reminder - Work Experience @ UNSW School of Chemical Engineering

Applications Close 30 August

Short-listed high-achieving students, passionate about engineering are

invited to spend a week at UNSW School of Chemical Engineering and experience what it is to be a student at UNSW Sydney.

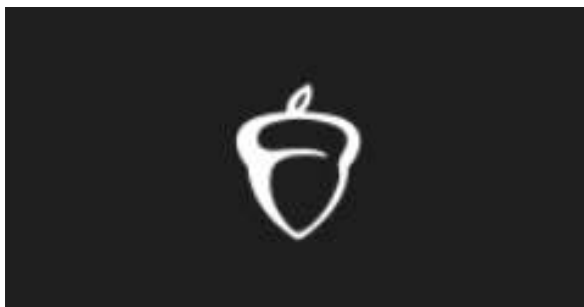

Selected students will visit a number of research groups working on topics ranging from water treatment processes to new nano-materials used for green

fuels and pharmaceuticals. Students will also work in group on an exciting design challenge.

University - General

College Board SAT Registrations for the 2024-25 (US) Academic Year

At this time, registration is open for all students for the entire 2024-25 testing year.

Test Dates:

- 5 October
- 2 November
- 7 December

[National Institute of Education – Casper Test Preparation](#)

7 September – Final date for 2024

Rebekah Ramsey will be conducting a 4-hour interactive and informative webinar designed to provide students with the guidance and support they need to prepare for the Curtin University Medical Entry Casper Test.

During the workshop, Rebekah will discuss the expectations of the test, and how Curtin might use the results, and unpack the questions and outline possible criteria for assessment. You will also work on the “on camera” techniques to be able to showcase your true self while answering the questions. Finally, you will look at the timing of the applicant responses and how to get the most out of the time that you must answer each question.

[National Institute of Education – Medical Interview Preparation Workshops](#)

21-22 September – Online

Limited spots remain for 14 Sept (In Person)

The unique NIE workshop program aims for students to gain an in-depth understanding and required knowledge of the medical interview processes for specific universities, including Multi-station Mini Interview (MMI), Structured, and Semi-structured panel interviews. The workshop is structured and based on the models that are taught during our proven one-on-one personalised medical interview sessions. The workshop will allow each and every attendee to learn the required skills and practical understanding for the university from which they received an interview offer from.

TAFE

[Scholarships at TAFE NSW](#)

Everyone deserves the opportunity to explore their talents and to fulfil their potential. Regardless of your circumstances, you deserve the chance to create a better future through education and training. Every year we award hundreds of scholarships to our students, so make this year your year to be rewarded.

[CIT 2025 Course Guide](#)

4 September – Rockdale

Start your career in Beauty, Makeup, Laser and Spa management Courses commence every three months and run full-time, Part-time or through blended learning. Register for an information session at one of our 3 Sydney locations.

[Sydney Actors School Open Now for Enrolment 2025](#)

Applications now open for 2025

Sydney Actors School's Diploma provides students with strong skills in all aspects of acting for screen and stage, the ability to create and perform full theatrical and film productions and the technical aptitude to generate your own work and opportunities. Graduate with a Showreel, Voice Reel, Industry Showcase, Short Films and Play Productions.

[Study Musical Theatre at Sydney Actors School](#)

The Sydney Actors School Musical Theatre Diploma offers a practical and comprehensive approach to developing your singing, dancing, and acting skills and equips you with the real-world skills needed to begin a career in musical theatre.

Led by experienced professionals with extensive backgrounds in the Australian theatre industry, our teaching team is committed to providing face-to-face practical training that prepares you for the challenges and opportunities of the industry. From refining your vocal techniques to mastering choreography, our tutors bring their firsthand knowledge to help you succeed every step of the way.

As a student in our program, you'll practise, rehearse, and perform individually, while also developing the collaborative and interpersonal skills essential for the entertainment industry as an ensemble member. The course focuses on: developing singing techniques and applying acting techniques for musical theatre; creating dance pieces; maintaining a high level of physical fitness; navigating feedback; and implementing a robust self-care routine in preparation for performance in a highly competitive industry. Your year of training will culminate in a musical theatre showcase, where you will present solo and ensemble performances for a live audience.

Whether you have existing musical theatre training or are a talented beginner new to the stage, the SAS Musical Theatre Diploma will give you the skills and confidence to begin your musical theatre career.

[Enrol to Study Business, Leadership and Management](#)

Bedford College deliver nationally recognised qualifications in Business, Leadership and Management in a dynamic and flexible training environment. Bedford are accepting enrolments for 2024 at the Norwest campus. Please encourage any students to apply – no ATAR required.

[Brent Street Spring Camp 2024](#)

30 September – 2 October

If you're going to do any dance workshop this September – make it this one! Immerse yourself in an unforgettable three days of dance with a lineup of Australia's best! You'll leave the workshop feeling inspired and pumped, exposed to a whole new range of styles and teachers, ready to smash your dance goals and concerts in Term 4!

We welcome students from all studios across Sydney and Australia to enjoy our Spring Camp. It's so much more than just dance classes; it's an experience of making friends, a physical challenge and inspiring teachers! Classes are capped to ensure a great experience for all dancers.

General

[High School Hackathons](#)

A curated list of high school hackathons. Maintained by Hack Club, a nonprofit network of 16K+ high school hackers & coding clubs around the world.

[Workabout Australia](#)

For over 20 years, the Workabout Australia Club has helped thousands of members to earn while they travel. If you are planning to set off on your trip of a lifetime, you can take advantage of the many opportunities that are available for those who want to work.

[Projects Abroad Conservation & Environment Project](#)

Once you've done international conservation volunteer work with us, you'll never quite see the world in the same way again. You'll experience the beauty and vulnerability of nature, and work with an international team to help protect endangered wildlife. We share the same goal: to protect our planet for years to come. So get your backpack because you're going on an environmental travel adventure! Our environmental and wildlife conservation projects cover an incredible range of species and environments, from mountains at the top of the world, to the islands that inspired Darwin to ponder the origin of life. If you love working on projects to help the environment and animals, you can unleash your passion in different ways

[Insight Creative Writing Competition](#)

Entries close 1 September

This competition is open to high school students around Australia as we aim to ignite a passion for creative writing and inspire the voices of the future. Entering the competition is free and all entrants will have the chance to share in over \$3000 worth of cash prizes!

All shortlisted entries will also be judged by acclaimed Australian authors. Past judges have included Alice Pung, Arnold Zable, Cath Moore, Michael Pryor, Will Kostakis and Jack Henseleit. This year's shortlist judges will be announced in the coming months, so make sure you follow us on Facebook and Instagram to see the official announcement!

Over the past seven years, we have had the pleasure of reading more than 1500 creative pieces from high school students around the country. If you're a budding writer in high school, we'd love to see your work.

[Country Education Scholarships – Plenty to Choose](#)

A scholarship can help you get on your way to achieving your further study dreams by covering the costs of textbooks, course fees, equipment, accommodation and living costs. Scholarships are not just about money either – the application process will give you vital skills that will transfer when it comes to applying for jobs and will make you a great candidate. Another thing you will gain from a successful scholarship application is confidence. The knowledge that a panel of people believe in your skills and ability will drive you for years. Search and apply for scholarships right here with CEF's Scholarships Guide. And remember, you'll never know if you don't give it a go!

[Sydney Craft Week](#)

11-20 October

Sydney Craft Week is about celebrating creativity and the handmade in all its forms. This festival creates the opportunity for the whole community to engage with craft, experience the benefits of making, and purchase local handmade work.

[Code.org](#)

The most fun way to start learning code to Year 12. In addition to learning on your own, we have courses designed to be taught by teachers in classrooms for all grade levels. Professional Learning options are available – no experience teaching computer science needed! A great option for students getting started on their own. You'll learn the fundamentals of computer science with drag & drop blocks. Create your own drawings and games.

[Medical Internships Abroad Programs for Years 10 and Up](#)

Get medical experience abroad that will give you a competitive edge in your medical career

A medical internship program with Projects Abroad will help you get the real-world work experience you need to excel in a medical career. Work in professional clinical environments like hospitals and clinics.

You can choose from a range of fields related to Medicine & Healthcare:

- General Medicine
- Nursing
- Midwifery
- Physiotherapy
- Public Health
- Nutrition
- Occupational Therapy
- Speech Therapy
- Dentistry
- Pharmacy

Our international medical trips are flexible and safe. Projects can be adjusted to your level of experience, making them ideal for pre-meds, or students aiming to do a medical elective abroad. We also have projects for teenagers in Year 10 and 11 interested in medical work experience.

[ABC Heywire Competition - Closes Soon!](#)

Entries Close 1 September

Heywire is an exciting competition from the ABC, calling for stories from high school aged students in regional, rural and remote Australia. And we want to hear from you! Entries must be a true story about an aspect of your life. Stories can be in any format: text, video or audio – whatever form suits you best! Most of our entries are text but feel free to be creative. The recommended length is 400 words.

[Engineering the Future Podcast](#)

The Engineering the Future series is a space for thought-provoking conversations about the bold ideas that will impact society over the next two decades. From exciting developments in nuclear technology and major transformations in the mining industry, through to the universal impact of artificial intelligence, we speak with leading academics and industry leaders about the technological marvels that will define us as we work towards a more sustainable future for all. Together, we'll discover how innovative engineering starts with imagination in action.

[2024 Young Space Explorers](#)

25th September

Registration Opens Soon

The STEM Enrichment team, in collaboration with the Australian Space Agency and Optus Centre Sydney, presents 'Young Space Explorers'. Join us online or in person on 25 September to meet Australian astronaut and Space Systems Engineer Katherine Bennell-Pegg, the first person qualified as an astronaut under the Australian flag.

[Architect's Tour of Powerhouse Museum's New Castle Hill Building](#)

14 September

Join us on a tour of Powerhouse Castle Hill's newest architectural accomplishment, Building J.

Building J is a 9,000-square-metre storehouse for the Powerhouse museum collection. Designed by Lahznimmo Architects, this new building includes flexible spaces for education, public programs, workshops, talks, exhibitions and events. It also houses conservation laboratories, collection workspaces, photography and digitisation facilities, and collection documentation areas. Led by Lahznimmo Architects, this behind-the-scenes tour will take you through the exhibition spaces, archives and conservation laboratories of Building J while discussing the architectural design and hurdles of this multifaceted project.

[Young Carer Bursary](#)

Applications Open Late September

The Young Carer Bursary Program supports young carers to continue with their education and reduce their need to undertake paid work at the same time as their study and caring duties.

The program offers 1,592 bursaries of \$3,768 each year to assist with education needs and resources.
