

Non-Local Application for Placement in Year 7 - 2024

All Year 6 students in government primary schools will be issued with a white *Expression of Interest* form for placement in Year 7 at a government high school. This form must be returned to your primary school.

Students living within Kirrawee's boundaries, as drawn by the *Department of Education*, are deemed local students (see below). Students outside the Kirrawee High boundary are classified as non-local and for enrolment, applicants must complete the *Non-LocalApplication for Placement in Year 7–2024* form and return it to Kirrawee High School by Friday 17 March, 2023.

From Kirrawee High, the local area extends north to, but does not include either side of, President Avenue. It extends east to, but does not include, either side of Gymea Bay Road north of the right of way adjacent to house number 202. Beginning at Gymea Bay Oval, the local area extends further east to include Balla Machree Way, Carter Crescent, Matong Place and Ellesmere Road. To the west, the area extends to Acacia Road (east side only). The link below will direct you to the boundary map for Kirrawee High and/or you may contact the Department of Education for related enquiries.

https://education.nsw.gov.au/school-finder/index

Please provide as much information as possible on the form below (or you can type your own document to attach to this form). The school's placement panel will use this information to determine out-of-area enrolments. Although written supporting evidence may include a range of documents, parents could consider recent school reports/NAPLAN, results of external competitions and tests, certificates of achievement, awards, special activities or indicators of active areas of interest, e.g. technology, scouts, chess, sport etc. Please staple all information. **Do not submit folders. Digital media/presentations (CD, DVD, PowerPoint etc) will not be considered by the panel.**

You may use the space below. If more convenient, type responses directly on the form below or attach additional pages.
